

Introducing Our New Tricolene® Bags

After nearly 20 years, we're excited to reveal a fresh new look for our Tricolene® product bags!

Starting in May, customers will begin receiving shipments with the updated design. While the outside has gotten a refresh, you can rest assured that the quality of both the bag and the material inside remains the same — consistent, reliable, and backed by the service you know and trust.

It may take a few cycles for the new bags to fully enter rotation, so keep an eye out for the updated look on your next deliveries!

We're thrilled to share this milestone with you and look forward to continuing to provide the quality products and service you expect from Tricon.
